Example of a page from a Stop Sign Story. The words in capitals are incorrect. The reader stops when the kids hear a mistake and raise their stop sign (or hand). The reader chooses a child and asks him/her to give the correct word.

THE STORY OF NOAH

The story of Noah is found in the book of REVELATION (Genesis). The Lord said He was sorry He made man. But there was one man who was good. MOSES (Noah) was good in the eyes of the Lord. He had three sons named HEZEKIAH, EZEKIEL and JEREMIAH (Ham, Shem and Japheth).

One day the Lord said to Noah, EVEN THOUGH EVERYONE IS REALLY NICE AND SWEET (because everyone is wicked), I'm going to destroy all mankind." The Lord told Noah to build a large BATHTUB (ark) out of REINFORCED STEEL (gopher wood). There were to be FOURTEEN (three) decks on the STEAMSHIP (ark).

The Lord told PETER (Noah) that He would keep him safe, along with his wife and his sons and their wives. They were to bring FOUR (two) of each animal into the ark. So they brought a pair of each animal into the ark, plus seven pairs of some animals to be used for sacrifice.

Finally the day came when the Lord told Noah and his family to get into the ark because they were the only WICKED (good) people on the earth. The Lord said He would send rain for EIGHTY (forty) days and nights and everything else would die.

So Noah did everything the Lord commanded. He was 600 years old when the flood came. They went into the ark and the SNOW (rain) came down in mighty torrents. The floods covered the earth and lifted the ark high above the earth.

Finally, the MUD (water) covered all the high mountains under the whole heaven. Everything on earth perished.
